16<sup>th</sup> September, 2024

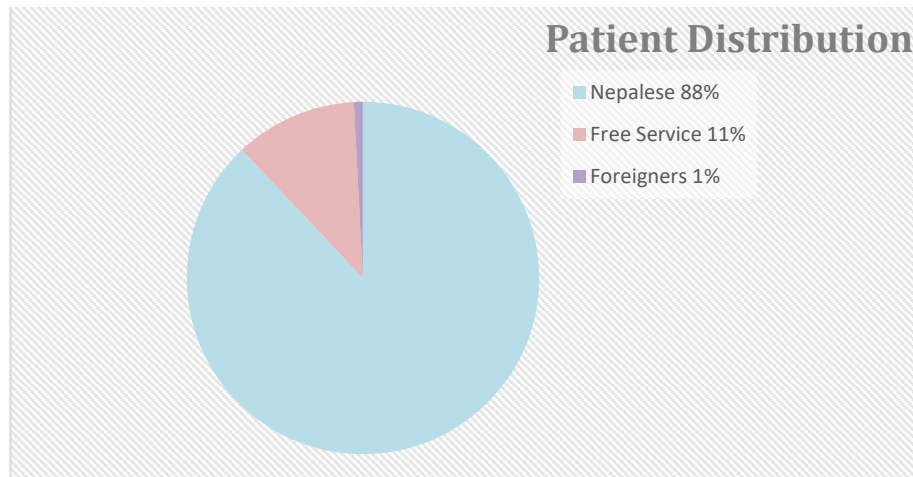

To whom it may concern,

Subject: [Case Census: MMI Namche \(20<sup>th</sup> June – 12<sup>th</sup> Sept, 2024\)](#)

Tashi delek and Namaste!

We are deeply grateful for the opportunity to serve at MMI Namche from **20<sup>th</sup> June to 12<sup>th</sup> September, 2024**.

Our team attended **TOTAL 1,073 cases—1,063 local Nepalese and 10 foreigners**. The attached document provides a detailed case census. We are proud to have provided free medical services and medications to **137 individuals**, including the 65 plus, under-fives, and the underprivileged/marginalized.

Despite challenges, including the Thame glacial lake rupture causing power outages and communication lapses, we are relieved there was no loss of life or limb.

It has been an honor to serve the local community and visiting trekkers, and we look forward to future opportunities to contribute.

With sincere thanks and best regards,

**Mr. Pemba Gyaltsen Sherpa**  
Chairperson
